**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in San Francisco and I signed up with Sonic because a) It's always good to support local companies rather than the big national giants and b) because I have previously used ATT and Comcast, two national giants that charged much more for a less good service.

If for no other reason than keeping these big behemoth companies in check, especially at a time when broadband is not a luxury, it is an absolute necessity for someone like me who works from home.

I've had no problems with Sonic. So please make it easier for smaller companies like Sonic to survive and thrive.

Thank you,

Sylvie Simmons
